
KNOW YOUR RIGHTS — READ BEFORE YOU RENT

Did Greenbox Self Storage deny you service or lock you out because of your housing situation?

HERE IS WHAT HAPPENED TO ME:

- I signed the lease
- I paid in full
- I received the access codes
- 24 hours later — locked out, no explanation
- Reason given: my mailing address was a homeless-services center
- I sent 10+ written notices. No response.

Denying service because someone uses a shelter address or homeless-services mailing address **may be illegal discrimination under Colorado law.**

I am documenting every case. **If this happened to you — your story matters and I want to hear from you.**
